About Maria Marín

Radio and TV Personality, Author and Life Coach

María Marín is the leading motivational icon among Hispanics worldwide. Her message, dedicated to empowering “Latinos” for over ten years reaches millions through her columns, best-selling books, international seminars and radio show. As a “life coach” she now reaches thousands of listeners with her new program “El Show de María” on Univision Radio FM Network. The program covers relationships, family and personal growth topics.

Millions admire this Puerto Rican leader for having overcome many difficult obstacles in her life; she lost her mother at the age of eight and as a result of the sadness, she turned to over-eating. At 15, she faced another battle when she was diagnosed with Type 1 Diabetes, and from that point had to depend on insulin for the rest of her life. “The adversity I faced in my youth taught me that no matter the challenges you encounter in your life, if you maintain a positive attitude, you can overcome and achieve your dreams,” stated María, who is also the spokesperson for the American Diabetes Association.

María is the author of “Mujer Sin Límite” and “Pide más, espera más y obtendrás más,” two bestsellers in the Spanish-language market. In addition, María writes an exclusive column “Supérate” for People En Español Magazine and is the author of the international column “Mujer Sin Límite”, published weekly in the largest Spanish-language newspapers in United States, Puerto Rico, México, Central and South America.
